### *U. S. Repatriation Program*

#### **Updates on reimbursement request**

**May 22<sup>nd</sup>, 2013**      **1:00-2:00 p.m. EST or 10:00 am-11:00am PST**

This training will analyze a complete reimbursement request and emphasize the importance of timely submission of claims; it will review procedure updates on processing time for case management and administrative cost, and approval of reimbursement request. Finally, this training will briefly go over the loan waivers, debt deferrals and payment plan processing.

The target audience for this training is: Repatriation State Coordinators, local caseworkers, Supervisors, Fiscal and financial staff, ACF staff, etc.

By the end of this webinar participants will be able identify reimbursement and waiver documents and be capable of submitting accurate and compliant reimbursement requests.

#### **Repatriation case review: Survivors of domestic violence & Trafficking**

**June 5<sup>th</sup>, 2013**      **1:00-2:00 p.m. EST or 10:00 am-11:00am PST**

This training will review a case study of a successful but challenging repatriation of a domestic violence survivor. This case will highlight the importance of good communication and cultural competency and inter-state cooperation. General information about safety planning, follow up and disclosure of information will be discussed. Finally, an HHS/ORR representative will provide a brief presentation about trafficking.

The target audience for this training is: newly assigned and seasoned Repatriation state coordinators, local caseworkers, supervisors, ACF staff and anyone requiring this information at state, Local, national or international level.

By the end of this webinar participant will be able to identify at least 3 aspects relevant to domestic violence in the context of the repatriation program and plan for services in accordance with provided program guidelines. Also participants will be able to recognize general aspects related to trafficking.
