

# ISS-USA ROADMAP

**"I'm working with a child with international family and I don't know where to start."**

Contact us by emailing [question@iss-usa.org](mailto:question@iss-usa.org).

Technical assistance is FREE! Please let us help!

**"First of all I don't know where the family is or if they even want the child. Do they even want to be involved?"**

If their location is known, we can provide notification of a child in care, facilitate participation in meetings and/or sharing of legal documents.

If their location is unknown, we can facilitate a person tracing.

**"I don't know if they can really take care of her."**

ISS-USA can obtain a...

- Home study for visitation
- Home study for parental reunification
- Home study for kinship placement

**"I have concerns based on what I know about the family's history."**

ISS-USA can obtain a...

- Community Resource Assessment
- DNA testing
- Drug testing

**"Will the court even accept this? What do I tell the judge? "**

ISS-USA is...

- A professional network
- Neutral; We provide objective information to make informed decisions.

**"Plus, with her citizenship status.... "**

ISS-USA provides services for U.S.-born and foreign-born children.

We DO NOT provide immigration services or legal services.

**"And if they decide to send her, then what? How do I get her there? What if she needs to come back?"**

ISS-USA can provide...

- Travel coordination assistance
- Post placement follow-up.

**PERMANENCY  
WITH FAMILY**

**"But why is it so expensive? How can I get this paid for? "**

We take this work on for you, so you don't have to do the searching, coordination, etc. We're working with professionals who are experts in this field.

Title IV-E funds may also allow for the state to be responsible for fees.
